

SUPPORTING YOUR FUTURE CAREER

Join the University of Northampton for a series of FREE, interactive webinars, hosted by our own professional careers and accredited business advisers. These online sessions are designed to help you access resources and support to develop your skills, start or grow a business, help find employment or consider a return to education. Taking place over 4 weeks, the webinars will provide useful tips and information to consider your career options.

.....

WEEK 1

Returning to Education

This 1 hour session explains the process of entering back into education for mature learners, beginning with Access to Higher Education diplomas, and progressing to university study. This talk is delivered by the University of Northampton's student recruitment team, so we can provide the most up to date advice on student finance, university applications and higher education interviews.
